## About the Institution

Oriental College of Education, Sanpada was formed in 2003 by well known educationist, Prof. Javed Khan, President, Oriental Education Society (OES) and nurtured by dedicated efforts of Mr. Waseem Khan, Managing Director OES. It is a Public Charitable Trust registered under the Society's Registration Act and Bombay Public Trust Act. OES has always been committed to the cause of providing high quality education at various levels. From its humble beginnings in 1992, the Society today has grown into a big educational complex imparting high-level education to more than 8000+ students. Oriental College of Education, Sanpada is one among 11 different institutions which are part of the OES family. The college endeavors to achieve excellence through Experiential learning which is lifelong and creative. By providing congenial atmosphere in the classroom and campus we aim at creating catalyst of change.

**Our Vision** is to develop dynamic, optimistic student teachers. We all believe that "change is a way of life". Changes are taking place in every sphere of our activity towards the betterment of humanity.

**Our Mission** is to generate a resource pool of talented teachers who can handle the next generation with sensitivity. To inculcate values pertaining to life, life-long learning and a quest for perfection to embody those virtues in teachers with need to be nurtured in the next generation. To alleviate fear of technology and change and make teachers a proactive instrument of social change.

## ROLE OF EDUCATION AND LAW IN BETTERMENT OF HUMANITY

Education develops a country's economy and society; therefore, it is the milestone of a nation's development. Education provides knowledge and skills to the population, as well as shaping the personality of the youth of a nation. Education is very important for an individual's success in life. It can give a big impact on human opportunity in continuing their life quality. Seminar on "Role of Education and Law in betterment of Humanity" will discuss few recent knowledge about Law and Education which redefine and reshape the Professional.

It will also provide an opportunity to academic and research community to know more about Law and Education.
