About the Institution

The Oriental College of Education, Sanpada, Navi Mumbai was formed in 2003 by well known educationist, Prof. Javed Khan, President, Oriental Education Society (OES) and nurtured by dedicated efforts of Mr. Waseem Khan, General Secretary OES. The OES is Public Charitable Trust registered under the Society's Registration Act and Bombay Public Trust Act. From its humble beginnings in 1992, the Society today has grown into a big educational complex, imparting high-level education to more than 8000+ students. Oriental College of Education, Sanpada is one among 11 different institutions, which are part of the OES family. The college endeavors to achieve excellence through Experiential learning which is lifelong and creative. By providing congenial atmosphere in the classroom and campus the college aims at creating catalyst of change.

About Conference

The COVID-19 crisis has created an unparalleled situation in our world right now. This contaminated our society with fear stigma and anxiety. Educators, administrators, policymakers, students and, parents all are facing a very difficult time in terms of teaching and learning. With Covid 19 pandemic situation a lot of teachers are facing a very unique challenges. This challenge demanded that they should go through digital transformation overnight. They suppressed their inhibitions, foregone their privacy because children learning is at stake. This pandemic has forced the teachers to start using technology for distance and remote learning. However, this paradigm shift to online learning has bought up an array of challenges in the field of social economical and educational world. It has also sparked fears of an impending economic crisis and recession. Social distancing, self-isolation and travel restrictions have lead to a reduced workforce across all economic sectors and caused many jobs to be lost. Schools have closed down, and the need for commodities and manufactured products has decreased. In response to this global outbreak, we summarise the socio-economic effects of COVID-19 on individual aspects of the world economy. we aim to discuss the impact of the lockdown in response to the COVID 19 pandemic on social, economic, health, and educational Programs in India as well as all over world. There is a dire need of grass root level discussion in form of conference on Impact of Covid 19 on social economical and educational aspect.

Our Vision

To develop dynamic, optimistic student teachers. We all believe that "change is a way of life". Changes are taking place in every sphere of our activity towards the betterment of humanity.

Our Mission

To generate a resource pool of talented teachers who can handle the next generation with sensitivity. To ingrain values pertaining to life, life-long learning and a quest for perfection to embody those virtues in teachers. To alleviate fear od technology and to change and make teachers a productive instrument of society.

Objectives

1. To have awareness about social responsibility and economical accountability.
2. To reflect on sustainability of professional education during Covid-19.
3. To foster ability of using digital tools for professional collaboration to ensure sustainability.
4. To provide a forum on discussion about Foot print of Covid-19 on school teachers, teacher educators and students is at national and international level.
5. To explore more about online education adaptability and engagement in education.
