Oriental Education Society was established in 1992 by a group of philanthropists with vast experience in the field of Education. Over the past three decades its extensive educational campuses in various locations, including Sanpada, Vashi, Jogeshwari and Andheri stand as a testament to the visionary aspirations and pioneering efforts of the leadership team.

The Founder President of Oriental Education Society Prof. Javed. I. Khan have played pivotal roles in shaping the society's educational initiatives. The unwavering dedication and commitment to quality education have contributed to the society's growth and success.

Oriental Education Society's Oriental College of Education located in Sanpada, Navi Mumbai was established in the Academic Year 2003-04 with NCTE recognition, government approval and affiliated to University of Mumbai. The College is located in Sanpada Campus, easily accessible by train as well as road transport. It aims at producing teachers, with noble and elevating qualities, who in turn, will achieve extraordinary merits and attainments. The prime objective of the college is to train, guide, reward, support the virtues and resources that may be inherent but lie latent within students who aspire to become teachers, so that they enter the temple of learning with adequate light to dispel the darkness of ignorance and lead the young minds to higher goals with a perfect synchronization of mental intellectual wanting of quest for knowledge laced with moral promoting Indianness.

Vision

To function as a teacher training institution that will create a resource pool of educators who are humane yet experts in their subject areas; disciplined yet sensitive to learners, techno savvy yet deeply rooted in their cultural values.

Mission

To generate a resource pool of talented teachers who can handle the next generation with sensitivity.

To ingrain values pertaining to life, lifelong learning and a quest for perfection.

To embody those virtues in teachers which need to be nurtured in the next generation.

To alleviate fear of technology and make teachers a proactive instrument of social change.

To develop esteem yet criticality for the culture of humanity.
