## Roles of different persons in Monitoring of Internship

Teacher Educator: Coordinating with School, Planning, Mentoring

School Principal: School principals collaborate with teacher educators to grant permission for the internship and discuss program activities and codes of conduct.

School Teacher: School teachers inform student teachers about the syllabus and assist in shadowing experiences to observe and learn necessary skills. They guide student teachers in fulfilling teacher responsibilities and provide feedback on their teaching.

Role of Peers: During the internship, student teachers collaborate with peers to organize timetables, allocate lessons, and plan observation sessions.
