FEEDBACK BY TEACHERS

ACADEMIC YEAR 2021-22

Dear Staff

Please provide your valuable feedback for the improvement of curriculum transaction with respect to:

Subjects Taught:

- 1) Educational Management - More theories related to some models related to Educational management should be included.
- 2) Pedagogy of school Subject: Commerce - Topics related to business and trade in which the process of money transaction, communication understanding of the customer in different parts of the country should be included which leads to understanding of globalization more clearly.

Project Based Courses:

- Internship period can be spread out equally incul three semesters. instead of having semester 3 as a very long period of 11 weeks.
- experiential learning → at least 3 lessons should be compulsory in syllabus.
- school related activities should be more specified.

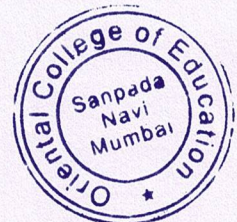

Other Activities:

- More seminars and workshop to be added and planned out in the beginning of the sessions.
- Audit course can be more specified in the syllabus.

FEEDBACK BY TEACHERS
ACADEMIC YEAR 2022-23

Dear Staff

Please provide your valuable feedback for the improvement of curriculum transaction with respect to:

Subjects Taught:

In English Pedagogy, change in syllabus with respect to Academic Disciplines is required. It has become obsolete in the current scenario.
Assignment options to be give more in the English Subject.
There must be fixed lesson plans dedicated to provide specific teaching methodologies.
Change in assignment for CL3 (Learning & Teaching) should be there.

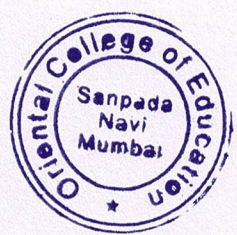

Project Based Courses:

- Community work should be spread throughout all the four semesters to enable an active societal engagement.
- Internship should be evenly spread so as to equalize the burden of lesson plan, delivery, various activities throughout the course.

Other Activities:

- Few selected & mandatory celebrations to fix at the beginning of the teacher year to plan out accordingly.
- Month wise distribution of cultural activities for smooth conduction can be implemented.
- Ice-Breaking sessions at the beginning of year / every semester can be done to involve more voluntary student participation.

FEEDBACK BY TEACHERS

ACADEMIC YEAR 2022-23

Dear Staff

Please provide your valuable feedback for the improvement of curriculum transaction with respect to:

Subjects Taught:

In maths pedagogy, there must be more assignment so that students can work on it easily. In two semesters we have Ability Course. It should be divided into four semesters. In CCI, we must add more assignments and in CC4, more options must be given to the students.

Project Based Courses:

→ Community work is done in two semesters only. It should be completed or course throughout the course. It must be introduced in all four semesters.
 → Number of activities observations must be increased and there must be equal no. of lessons in all semesters.

Other Activities:

→ For cultural activities, list of celebration must be selected in the beginning of the year.
 → Field visits - must add more field visits.
 → Activities must be divided among the month wise.
 → Voluntary list must be prepared in advance.

FEEDBACK BY TEACHERS

ACADEMIC YEAR 2023-24

Dear Staff

Please provide your valuable feedback for the improvement of curriculum transaction with respect to:

Subjects Taught:

History pedagogy of school subject should include role play method's based topic to be taught minor Teaching should get involve so that student get exact or presentation idea according to topic. Assignment option to be give more in the History subject must be fixed lesson plans to promote specific teaching methodologies. Change in assignment for ICSE Inclusive and creative school should be there.

Project Based Courses:

B.ed students should get involved in cultural and other co-curricular activities, as well as awareness programme conducted by school so that they can get first hand experience. Internship programme is consolidated in sem III and it give lesser time for trainee for theory classes. Instead the internship programme should get started from semester II. So that students get more practical experience.

Other Activities:

Keep discussion centered on ways to improve individual B.ed. trainees classroom level abilities rather than spotlighting things about their personality. Be specific and provide examples when commenting on the course or the instructor speak based on your own experiences. not on behalf of your collegues. Focus on observable behaviours of the instructor or on specific aspects of the course as well describe the situation you are commenting on.

FEEDBACK BY TEACHERS
ACADEMIC YEAR 2023-24

Dear Staff

Please provide your valuable feedback for the improvement of curriculum transaction with respect to:

Subjects Taught:

Science, pedagogy of school subject, should include experimental based topic to be taught, micro teaching should get involve so that student get exact presentation idea according to topic. The pedagogy should also bifurkated in Biological science and physical science, so that student get a better conceptual learning. syllabus should also involve a topic related to exploring learners.

Project Based Courses:

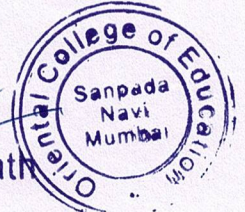

Internship programme is consolidated in Sem III and it give lesser time for trainer for theory classes. Instead the Internship programme should get started from sem I, so that trainee get more practical experience and exposure to school environment. The student should get involved in cultural and other awareness program, conducted by school so that they can get first hand experience.

Other Activities:

The sports ~~event~~ activity and co-curricular activities should get improvisation and time allotment for particular should be more. student should get a regular training on the basis of portfolio development and guidance towards development of various soft skills, specifically communication skill and interpersonal skill.

FEEDBACK FORM

Oriental College of Education has always been open to changing and challenging aspects of teaching-learning transactions. This transition would only be possible with your valuable feedback. As a part of this process, we would request you to spare your time in filling this form with your views which will help us in reviewing our system so that it supports all the stakeholders involved. Your participation is highly obliged.
