ABOUT US

Oriental College of Education endeavours to achieve excellence through Experiential learning which is life long and creative. By providing congenial atmosphere in the classroom and campus we aim at creating catalyst of change. Our vision is to develop dynamic, optimistic student teachers. We believe “change is a way of life”. Changes are taking place in every sphere of our activity towards the betterment of humanity. This positive change can be brought about rudimentarily from the field of education. Gandhiji has rightly said- “Education is an all round drawing out best in child and man- body, mind and soul.” Here at Oriental college of education our entire year programs are chalked out on the basis of this philosophy.

OUR VISION

To function as a teacher training institute that will create a resource pool of educators who are humane yet experts in their subject areas, disciplined yet sensitive to learners, techno savvy yet deeply rooted in their cultural values.

OUR MISSION

To create architects of education to shape future generations by ingraining values of life long learning, which empowers them to be active agents of social change.

ABOUT THE SEMINAR

This seminar is being organized in the light of the implementation of NEP 2020. The seminar thus aims understanding the role of NEP 2020 in advancing gender equality in education specifying in multidisciplinary approaches with equal opportunities and accessibility. The gender equality provisions in NEP 2020 highlight a commitment to removing barriers that restrict access to education for girls, gender non-conforming students, and other marginalized genders. The policy recognizes that entrenched gender biases, cultural norms, and societal expectations contribute to the underrepresentation of girls in various educational settings, especially in higher education and vocational training.

SUB-THEME

- 1) Gender equality in the context of multidisciplinary education.
- 2) The role of technology in advancing gender equality in higher education.
- 3) Integration gender sensitivity in the curriculum.
- 4) NEP 2020 on digital education.
- 5) Empowering women through vocational and skill based education.
- 6) Universalization of early childhood education.
- 7) Leadership development and women's empowerment academia.
- 8) Challenges to gender equality in academic excellence.
- 9) The future of gender equality in Indian higher education post NEP 2020.
- 10) Gender based affirmation and action in enrolling more girls in STEM fields.
- 11) Empowering women in vocational and skill based education.
