VISION

The vision for the B.Ed. alumni association is to establish a thriving community that fosters lifelong learning, facilitates meaningful connections, and champions excellence in education for the betterment of society.

MISSION

Strengthen the bond between Alumni and Institute.
Promote the alumni association and develop a relationship with current students in order to encourage their involvement as alumni.
Educate alumni about the value and opportunities for philanthropic support.

ALUMNI SPOTLIGHT

“Never stop following the dreams and don't forget the time you started to achieve them.” This quote holds true for my two years journey in Oriental College.

My experience at Oriental College taught me life is unpredictable. It might be good, it might be bad, it might be weird, and it might not interest you, but expect anything to happen. It is a perfect blend of joy and hardships. You meet different people, you interact with them, you learn about their cultures and grow as a person.”

The two years of B.Ed has truly been a great adventure. They are not just memories that we take from this college, in fact it's much more than that. The bonds between friends and the teachers will always occupy a close place in our hearts. From being strangers on the 1st day of college to becoming close friends till the end.

The endless support and motivation from Principal ma'am and each faculty member helped me in shaping my overall personality.

One of the most interesting stages in my life that gave me an opportunity to explore is B.Ed. My experience at Oriental College of Education, Sanpada, taught me two fundamental thing i.e. life is unpredictable and fruitful. Anything can happen and is possible with joy and hardship. You grow as a person with such beautiful and memorable experiences. I have got immense love & support from my teachers at every step. The assets that I have gained from here will always remind me of the moments I spent here. As a proud alumni, I definitely would recommend this institution not only for its great faculty and infrastructure but also for guiding the students to achieve their long term goals.

Life in OCE was nothing less than a roller coaster ride, full of ups and downs one can imagine. But throughout the journey I have learned a lot. It has provided me with some great opportunities which helped me improve myself in every aspect as a student, as a senior, as a friend, as a sportsperson, as a leader and most importantly as a professional. Experience in OCE has helped me sharpen my skills in my field of choice. Teaching and non-teaching staff were succour throughout the year. In all I had a great learning experience and have learnt some very important lessons in life which will help me to grow in the future as well.

My name is Ali Shaikh, As you read this message, you are already on a new path in your life in the one of the best college Congratulations! As you continue your earth walk, grab on to every opportunity, no matter how big or small, remember failure brings success, don't give up! Prevail!! It is certainly clear that becoming educated allows one to come from a place of power. In today's world this speaks loudly in a voice that will be heard. Attainment will allow for ongoing opportunities, which include being able to educate and mentor one's peers. OCE taught me that Hope is for everyone and having hope can get through the tough times believe in yourself that you can accomplish any challenge you can do this your journey has just Begun. We owe the college premises that and more. OCE always told me to Seize the opportunities and encouraged me with the word that show the world that you belongs to this college, and you are equal in mind and spirit and can be strong leaders in a world that so desperately needs them.

ALUMNI MESSAGE

"Dear Alumni,

As valued members of our OCE community, we invite you to contribute your expertise and experiences to enrich the educational journey of current batch students. Your insights, mentorship, and support can make a significant impact on the development of future educators. Whether through guest lectures, workshops, mentoring programs, or networking opportunities, your involvement can inspire and empower the next generation of teachers.

We encourage you to reach out to us to explore ways you can contribute to the ongoing success of our OCE students. Together, we can continue to uphold the standards of excellence and innovation that define our B.Ed. college.

To connect our OCE community we organise Alumni meet every year to show our love and connection between alumni and institution to freshen up your memories which you all spent with us. This meet gives you an opportunity to meet your old friends and professors with whom you lost the connection after your B.Ed. It will be great if you all connect us with this alumni meet by giving your valuable time and cherish your memories.

Thank you for considering this opportunity to give back and make a difference in the lives of aspiring educators.

Feel free to contact us:
oceaa@alumni.oce.edu.in
